INSURANCE

General liability insurance coverage is always required of each Overland Expo exhibitor; however, we know that securing these certificates of insurance (COI) can be a time-consuming after-thought and hassle. After much research and many requests from exhibitors for a better solution, we've secured a service with our preferred insurance provider to include an exhibitor COI with the purchase of any Overland Expo booth space or sponsorship moving forward. This convenience to the exhibitor will ensure that all exhibitor COIs meet insurance requirements and will eliminate the hassle to the exhibitor of securing a COI from an outside provider. This also ensures that no additional certificates of insurance will be required to purchase by the exhibitor.

Once an exhibitor places a booth space order, we will secure the COI on the company's behalf and will share that certificate with you for your files. You will receive an email (sent to the registered email on A2Z) from Rain Protection Insurance Co. with a copy of the COI for your records.

SECURITY INFORMATION

Overland Expo Show Management makes every effort to protect exhibitors' merchandise and displays. Show Management will provide perimeter guard service on a 24-hour basis to include move-in, show days, and move-out. While Show Management will implement security measures to safeguard your property, neither Show Management, The Ranch agents nor employees assumes any responsibility for such property, loss, or theft.

Exhibitors are solely responsible for the care, custody, and control of their own exhibit space and material. Exhibitors should carry insurance to cover loss or damage to their exhibit material.

Small electronic equipment such as tablets, laptops, monitors, cameras, etc., should never be left unattended. In cases where valuable equipment may not be removed to storage daily, the services of a private booth guard are available.

When shipping your equipment, do not list contents on the outside of crates or cartons. Do not ship computers, monitors, tablets, or other electronic equipment in the manufacturer's cartons. Place these cartons inside larger crates or have special packaging made, which does not indicate contents.

At the close of the show, when your materials have been packed and bills of lading have been prepared, place your completed bills of lading on your freight. Complete Material Handling form and turn both Material Handling Form and BOL in at the Show Office before leaving.

Tips To Help Protect Your Product

- Monitor your booth when your product is being delivered.
- Hire a security guard to watch your booth overnight.*

- Perform an inventory after your product has been delivered and note any damages or missing items.
- Do not list the contents on the outside of your shipping crates/boxes. Use a code to indicate contents.
- After show hours, cover your displays with a tarp or other solid material to discourage potential theft.
- Do not leave valuable exhibit materials or proprietary information under tables or behind displays when the show is closed, or your booth is unattended.
- Always staff your booth during show hours (required).
- Staff your booth until your product and/or the floor is cleared during move-out. Once the show has closed, pack as quickly as possible and do not leave your display unattended.

*If you would like to reserve overnight security for your booth space, please contact Show Management

AFTER-HOURS SECURITY: If you need assistance from security after show hours (overnight), then call **317-518-3568** and our roaming security will immediately assist you on-site.
